

I DON'T
WANT TO
TALK ABOUT
ANYTHING

DO YOU THINK
YOU WERE THE
ONLY ONE WHO
BLAMED ME?

ME, TOO!

IT WAS
HARD FOR
ME, TOO

Regardless of my intention
the things I've
done to Bowen are

I was really
wrong. Whether I
realize it
thousands times
of ten thousand
times...

But I thought
you could listen
to my voice...

For me,
Each and every
day was hell.

That's why
I didn't
want to

Yuhari Mall's
existence
is so painful

I can do
nothing,
but I must
live!

I know what

And sometimes,
at the end

I don't know
how many times
for humans
that I don't
want to
be a human

And then...

Overrun

What?
Summer?

What are
you doing
at this
time?

And then,

Just a
little...

Just a
little...

Just a
little is
fine, so

I have hoped
for my
nephew on
Christmas.

Instead

I also
graduate
from my
school

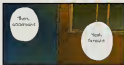

I received letters
saying that I was
graduating from
school. I was
excited to
graduate.

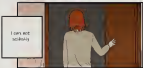

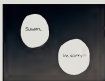

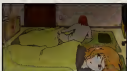

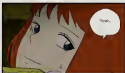

Even though
I don't have
that kind of ego.

I know that you will understand this about all selfishness
